

# Individual Award for Technical Excellence

## General

The **Individual Award for Technical Excellence** is presented to an outstanding engineer and/or geoscientist who has made significant contributions in applied research, design, innovation, industrial problem-solving, construction, or technology transfer.

## Nomination

Nominations for the Individual Award for Technical Excellence must be submitted to the Awards Committee in writing on the appropriate APEGNB form and must be supported by at least two (2) APEGNB members.

## Eligibility Criteria

The nominee must be a professional engineer and/or professional geoscientist registered in good standing with APEGNB.\*

*\*Members of the APEGNB Council are not considered eligible for an award until a period of at least six months has elapsed from the completion date of their term of office.*

## Selection

The Awards Committee will consider each nominee on his/her merits and make recommendations to Council on the conferring of the Award. Consideration is given to continued leadership in the professions and in the community, to outstanding achievements, and to recognition obtained. The recipient(s) must have been registered in the Province of New Brunswick at the time the work was performed and is currently a member in good standing of APEGNB. The recipient(s) will be notified by telephone and in writing.

## Presentation

The Individual Award for Technical Excellence will be presented at an appropriate function during the Annual Meeting.

## Award

Trophy engraved with recipient's name.

## Promotion

Award recipients agree to standard publicity notification arranged by APEGNB which may include:

- Pictures of award recipient and biography printed in annual magazine
- Pictures of award recipient to appear in newsletter–Engenuity
- Coverage of award recipient in New Brunswick newspapers

## Commencement

The first **Award of Excellence** was presented in 1985. The award does not have to be conferred on an annual basis.
