

## 2024 EARTH RING CEREMONY... **Deadline for orders March 1<sup>st</sup>**

**The 2024 Earth Ring Ceremony is planned to be held in-person this year in the early evening during the second week of April (most likely April 9).**

Please r.s.v.p. to [finances@apegnb.com](mailto:finances@apegnb.com) if you plan on attending and intend to order a ring (with confirmed size). PLEASE NOTE: payment will have to be by e-transfer to [finances@apegnb.com](mailto:finances@apegnb.com), contact Jocelyn Durette, APEGNB, 506-451-9624.

Any practicing New Brunswick geoscientist without Earth Rings wishing to become obligated and receive a ring are also welcome to participate. Please download a registration form from the APEGNB website and place your ring order (3 or 4mm wide, Sterling Silver rings are \$80 (HST may apply). The ring is worn on the smallest (pinkie) finger of the working hand. Please have your finger **sized by a jeweler before ordering**. The Earth Ring is a symbol of the professional oath you are asked to take during the ceremony and as such **attendance is mandatory in order to receive your ring**.

To take part in the ceremony and receive an Earth Ring, you must have obtained a geoscience degree from a recognized university or be a practicing geoscientist in New Brunswick.

**The deadline for orders/registration is 4:00 pm, March 1.**
