INFORMATION ABOUT COMPLETING AND FILING A COMPLAINT FORM

As the regulator of the engineering and geoscience professions in New Brunswick, the Association of Professional Engineers and Geoscientists of New Brunswick (APEGNB), through its complaints process, investigates the conduct of its members, licencees, and holders of certificates of authorization to *protect the public interest*.

General

This form is to be used to file a complaint regarding the professional practice or conduct of a member, licencee, or holder of a Certificate of Authorization issued by APEGNB. To confirm if an individual or firm is registered with APEGNB, please refer to the Registry on the APEGNB website.

- This form is not to be used for complaints regarding professional fees. APEGNB has no jurisdiction to address billing disputes or civil actions.
- APEGNB does not act as the intermediary between a complainant and a respondent. APEGNB investigates complaints
 in the public interest.
- APEGNB cannot pay you money, provide you with engineering/geoscience advice, or order an engineer/geoscientist/ firm to pay you money.
- A complaint, once submitted, cannot be withdrawn by the complainant.
- Individual violations of APEGNB's Code of Ethics or Code of Conduct do not necessarily constitute professional misconduct.

Confidentiality of your complaint

APEGNB cannot guarantee that the information you provide, or the information we obtain from other parties during the course of our investigation, will remain confidential. Members, licencees and holders of Certificates of Authorization who are complained against, are provided some or all of the information obtained during investigation. If a complaint is referred to Discipline, you, as the complainant, are not a party to the proceedings.

What you need to do to begin the complaints process

APEGNB recommends that you discuss your concerns with the Registrar prior to filing a formal complaint so that you fully understand our processes. In any event, should you wish to proceed with a complaint, please kindly:

- Complete and sign the Complaint Form.
- Attach a copy of any documents that are relevant to your complaint.
- Send the completed Complaint Form and copies of related documents to:

Registrar Engineers & Geoscientists New Brunswick 183 Hanwell Road Fredericton NB E3B 2R2

What happens next?

APEGNB will acknowledge receipt of your complaint, assess your complaint, and determine the next steps. If your complaint falls outside of APEGNB's jurisdiction and authority under the *Engineering and Geoscience Professions Act* we will let you know and we may be able to suggest alternatives to address your concerns.
