Mr. Petrovich makes the following voluntary agreement with APEGNB:

1. I am a currently suspended from the practice of engineering in the Province of British Columbia for three months. My suspension began on April 17, 2020.
2. I am licensed in several Canadian jurisdictions for the purpose of practicing engineering. I am currently a Licencee with APEGNB.
3. On May 1, 2020, I was contacted by APEGNB's Director of Professional Affairs and Registrar. At that time, I confirmed my suspension and made an undertaking that I **"would not complete any engineering projects in New Brunswick until this matter is resolved"**.
4. I understand that absent my undertaking, APEGNB would file a Complaint with the intent to prevent me from practicing professional engineering in or for New Brunswick for the duration of my suspension in British Columbia.
5. I am not currently practicing engineering in New Brunswick and wish to avoid a Complaint in New Brunswick.
6. I confirm that I will immediately return my Professional Seal and not refer to myself as a Professional Engineer, "P.Eng.", for the duration of my suspension.
7. I wish to voluntarily suspend my practice in New Brunswick without the necessity of a Complaint.
8. I understand that I can request a formal Complaint be filed at any time and that the matter be promptly addressed in the normal course.
9. I understand that a breach of this voluntary undertaking will result in a separate Complaint of Professional Misconduct by APEGNB.

10. I understand that this undertaking will be in place until I satisfy all aspects of the disciplinary order in British Columbia and confirm to APEGNB that my practice is "without restriction".
11. I will promptly provide APEGNB with any information they request if and when I seek to restore my right to practice in New Brunswick.
12. I understand that this agreement and the Disciplinary Notice posted on the Engineers and Geoscientists British Columbia website at:

will be prominently displayed on the APEGNB website.

I have received the opportunity for legal advice prior to making this submission, this 5 day of May, 2020.
